Proud to be

THE DUKE OF EDINBURGH'S
INTERNATIONAL AWARD

In Luxembourg

How much time would I have to invest?

Bronze: 3 months

Silver: 6 months

Gold: 12 months

- To receive bronze, you can choose this section to be active for another 3 months.
- As a direct entering member you can choose this section if you prefer to carry out your activity for a longer period of time (with silver and gold, an additional 6 months).
- The minimum of time you have to spent on the Skill section is one hour per week. Even if you do more than one hour weekly you have to continue your activity for the required period of time.
- It is possible to do your activity twice every two weeks, 3 times every 3 weeks or 4 times every 4weeks if it's easier for you to get involved in a Skill activity.

How should I proceed?

- Choose an activity you're interested in

- Discuss expectations and set goals with your Award Leader

- Let the activity coach sign your log book to provide evidence

- Once you have finished your section, make sure your activity coach signs your recordbook and fills in the dates

Examples

- Playing an instrument, singing, theatre skills
- Cooking, Engineering
- Drawing, sculpture, graphic design
- Gardening, animal care
- Billiards, Darts, Chess
- Website development, Digital media

In this section you should not choose a sport

If you're not sure if your activity is a skill
then first ask your Award Leader

You can't fail. You'll be trying to get to the best of your
ability. The expectation is that some form of improvement
will be shown over the period of time.
